COPPER MOUNTAIN

The Mountain

About Our Mountain...

What time do your lifts open...when do they close?

On weekdays, lifts open daily at 9:00 a.m....on weekends and holidays, at 8:30 a.m. Upper lifts close at 3:30 p.m.; lower lifts at 4:00 p.m.

Any new trails this season?

You bet! Trail #1 Far East off "A" lift for advanced skiers and Trail #45 Roundabout for beginners off "J" or "H" lift.

How do we avoid lift congestion?

Arrive early. Ski the upper lifts. Ride the shuttle east to "A" and "B" lifts or west to the "H" lift. Avoid Ski School build-up times at 10:00 a.m. and 12:30 p.m. Eat an early or late lunch. Check lift line status boards.

I have heard the sun is stronger at this elevation...is that true?

Yes. More skiing time is lost to severe sunburn than any other injury. Use creams or lotions with sunscreens or blocks. Cover sensitive areas especially well, and always wear eye protection.

Why is that trail closed?

Trail crews groom slopes on a continuing basis, either by machine or on skis. During and after grooming, trails may be closed either to await further grooming or to allow the snow to "set up". Closed trails are not patrolled and may be unsafe to ski. Skiing through closures will result in loss of lift privileges or possible fine.

About Our Programs...

We have never skied before, is there a special package for us?

Yes. Our Newcomers Package includes rental equipment, all-day lesson and lift ticket at a special rate—available through our rental shop in The Mountain Plaza. 668-2882

Skier Responsibilities

- Know the range of your ability and ski within the limits of your ability.
- Maintain control of your speed and course so as to be able to avoid other skiers or objects below you.
- Stop where you will not obstruct a trail and are easily visible from above.
- Stay clear of all vehicles and equipment on the trails or slopes.
- Retention straps, ski brakes or similar devices are required on all skis.
- When entering a trail or starting downhill from a stationary position, yield to other skiers already on the slope.
- Load or unload from a lift only in designated area.
- Observe all posted information.
- Trail or slope conditions vary greatly with weather changes and skier use.
- Be aware of changing conditions, natural or man-made.

J	Double Chair (Intermediate) LENGTH—5110′
M	Mitey Mite (Ski School use only)

Note: Trails are rated according to relative difficulty in relation to each other at Copper Mountain, and not necessarily in relation to other areas.

COPPER MOUNTAIN

Facility Guide

Do you have a Nursery?

Yes. The Belly Button Bakery for non-skiers, aged two and up on the first floor of The Center. For reservations, stop in or call 668-2882 ext. 210.

Do you have any ski programs just for kids?

Yes. Junior Ranch is our learn-to-ski program for 4-, 5-, and 6-year-old beginners who are long on energy and short on attention span. Senior Ranch is the regular kids school for beginners to extra hot skiers 7 to 12 years old. Lots of skiing, and we keep them all day. Check at the Ski Education Desk, second floor of The Center, or call 668-2882, ext. 220.

I've heard a lot about your adult ski school...tell me more.

Comfortable class sizes and our unique approach to ski education through the American Teaching Method make Copper Mountain the perfect place to start...or if you are a veteran, the perfect place to come back to. We also offer private lessons on the hour, and special workshops on moguls, powder and racing. Check with the Ski Education Desk on the second floor of The Center or call 668-2882 ext. 220.

Do you have Nastar today?

Yes. Our daily Nastar Race starts at 12:30 under the "G" lift. Sign up at the Nastar Desk on the second floor of The Center before noon or at the top of the race course. $3.50 to register and race, $1.00 for re-runs.

What is a Copper Card?

A special opportunity to save on lift tickets. Purchase the Copper Card for $15.00 at the ticket window and ski for $12.00 each time you come to The Mountain.

We would like to try cross-country skiing...do you have a program?

Yes. Take the village shuttle to the Copper Mountain/TRAK Ski Touring Center located near the entrance to Copper Mountain. They have rentals, lessons and tours available daily. Our 35 kilometers of quiet, scenic trails are a great alternative to downhill skiing.

About Our Village...

Is there transportation around the village...how do I get to the "H" lift area...and "A" and "B" lift areas?

The village shuttle runs all day long and can take you to the east or west end of the village for easier access to The Mountain. Check your village map for pick-up points.

We would like to come back and stay longer...where can we get lodging and dining information?

The Mountain Plaza.

Where is the skating pond...who rents ice skates?

Our lighted and maintained skating pond is located just west of the Snowbridge Square building. Skates can be rented at Recreation Sports.

About Our Services...

How do I call for assistance...where is the First Aid Room?

Our professional Ski Patrol is available any time of the skiing day. Trail phones can be found along most trails and at the top and bottom of all lifts, dial 311. The First Aid Room entrance is located on the west side of The Center.

I would like some information on Real Estate.

The Copper Mountain, Inc. Real Estate office is located in The Mountain Plaza. They will be glad to answer your questions about Real Estate opportunities here at The Mountain.

What goes on at Copper Mountain in the summer?

Plenty! Golf, tennis, hiking, biking, horseback riding, summer theatre, special events, a host of workshops and more...all amidst the cool splendor of the Rockies. Copper Mountain is the perfect year-round resort. Check at the Mountain Plaza about another great season...summer.

My company is always looking for an interesting place to hold a meeting...do you have the facilities, and whom should I contact?

Copper Mountain welcomes groups from 2 to 200. Contact our Director of Sales by mail (Post Office Box 3001, Copper Mountain, Colorado 80443) or telephone 303/668-2882.
